Helpful Tips for Election Judges

- **Maintain a professional and politically neutral demeanor at all times.** Judges should make sure their discussions are appropriate by refraining from discussing the election or candidates with each other or the public at the polls on Election Day.
- **You are on public display — conduct yourself appropriately.** Smile and be tolerant and courteous to each voter. Treat each voter with respect. Remember, you are helping each voter exercise his/her right to vote.
- **Prepare for a long day.** Bring enough food and drink to get you through the day. Judges must remain in the polling place during their specific shift and until they are relieved by a replacement judge per rules, except in the case of an emergency.
- **Slow times during the day.** Bring appropriate things to pass the slow time such as knitting or other handwork, non-political reading material, crossword puzzles, etc.
- **Be Proud!** You are an integral part of the democratic process! We appreciate your service.

A Message from
Secretary of State Chuck Gray

Wyoming Election Judges,

Thank you for agreeing to serve your community and the great State of Wyoming as a 2024 Election Judge! Your participation is not only patriotic but also crucial to the successful participation of Wyoming citizens in our Constitutionally protected democratic-republic. Each of you should be proud of your service, knowing you are serving your community well. We could not hope to successfully carry out our role without your commitment to facilitating our State's election process.

Please pay particular attention to items in this handbook that are highlighted with the “NEW”, or “!” symbols. This will help to update you on changes or areas of emphasis this election season.

Thank you again for your service to Wyoming!

Welcome to your position as an Election Judge!

Before the Polls Open

Judges should report to the polling place at 6:00 a.m. If an election judge is not present when the polls open or is unable to complete his or her duties, State Statutes require that the vacancy be filled by a registered elector appointed by the judges present and approved by the County Clerk. Call the County Clerk to report the problem and receive instructions. (W.S. 22-8-112(b))

Before the polls open the judges should:

- Subscribe to the Judges' Oath of Office. (W.S. 22-8-115)
- Check the ballots to ensure correctness. Pay attention to precinct numbers.
- Verify the number of ballots received.
- Open and examine each ballot box to ensure they are empty.
- Lock and seal the ballot box and do not open it again until the polls are closed except if necessitated for proper operation of the voting equipment. This process should be at the direction of the County Clerk and only in the presence of two (2) or more election judges with different political party affiliations. The ballot box must remain in the presence of the judges until all ballots are counted.
(W.S. 22-12-115)
- Turn on the voting machines as directed by the County Clerk. Immediately call the clerk if the machines do not operate properly.

HAVA

The Help America Vote Act of 2002, which provides funds to states to initiate improvements in one or more aspects of the elections process. Examples of those improvements include educating voters, training election officials, improving accessibility of polling places, and improving the technology and methods of voting systems.

If the complaint is related to the requirements of Title III of the Help America Vote Act of 2002 (HAVA), the voter must fill out a complaint form, describe the alleged violation, and have the form notarized. The complaint must then be sent to the Secretary of State's Office.

Title III of the HAVA concerns the voting system standards, provisional voting, voting information requirements, the computerized voter registration system and the requirements for voters who register by mail.

The form can be obtained from the Secretary of State's website under the HAVA link at: <http://sos.wyo.gov>.

Contact the County Clerk for more information.

Closing the Polls

Voters in Line

At 6:30 p.m., a judge should announce that the polls will close in 30 minutes. All voters present and in line at 7:00 p.m. are allowed to vote. No one else is admitted. After all ballots have been cast, a judge shall declare the polls closed. (W.S. 22-13-117)

Absentee Ballots

After the polls have been closed, if there are absentee ballots, the election judges should record these ballots on the voting machines. Only judges are allowed in the polling place at this point.

Voter Registration

Procedures at the Polls

Individuals are allowed to register to vote at the polling place on Election Day. Before registering a person, judges should:

- ✓ Check the poll list to make sure the voter's name is not already listed.
- ✓ Check the master list to see if the voter is registered in another precinct. If the voter is registered in another precinct, send him/her to the correct precinct unless the voter has moved. If the voter has moved, the voter must complete a Voter Registration Application & Change Form.

If a voter is not on any list, the voter may register to vote.

Legal Qualifications

In order to register to vote, a person must be:

- A U.S. Citizen;
- 18 years old on Election Day;
- A bona fide resident of Wyoming*; 
- Not currently adjudicated mentally incompetent;
- Not convicted of a felony, or if so, had rights restored; and
- Able to provide acceptable identification.

*Residence is defined as the place where a person has a current habitation and to which, whenever he is absent, he has the intention of returning.

For information on challenging a voter, please see Pg. 15.

Poll Watchers

A poll watcher is a person certified by the county chairman of a political party to observe voter turnout and registration.

Each party is allowed one poll watcher per polling place unless the chief judge can accommodate one additional poll watcher, per party.

Poll watchers may NOT disturb or attempt to influence voters or the voting process, and poll watchers may NOT challenge voters. If a poll watcher has a concern, they can notify the election judge and/or the County Clerk.

Only those poll watchers whose names have been submitted to the County Clerk may serve. ([W.S. 22-15-109](#))

Handling Absentee Ballots at the Polling Place

In some cases absentee ballots will be processed at the polling place. Inquire with your County Clerk's office if you are unsure about the policy in your county.

For judges who do process absentee ballots, the absentee ballot envelope should be examined to determine validity. A valid absentee ballot is one that:

- ✓ Is sealed;
- ✓ Is signed by the voter; and
- ✓ Is submitted by a voter who has not voted at the polling place.

Rejected Absentee Ballots

If a ballot is rejected, judges should:

1. Write "REJECTED" across the unopened envelope; and
2. Write "REJ" in red next to the voter's name on the poll list.

Accepted Absentee Ballots

If the ballot is accepted, judges should:

1. Open the absentee ballot envelope (make sure ballots are handled to preserve secrecy);
2. Count the ballot in accordance with procedures provided by the County Clerk;
3. Write "A" next to the voter's name; and
4. Return all opened and inner ballot envelopes to the County Clerk as directed. (W.S. 22-9-121)

Damaged Ballots

Some ballots may be damaged and not able to be counted by a machine. These ballots should be duplicated and counted per the Secretary of State's Rules, Chapter 6.

- Any other form of identification issued by an official agency of the United States or a State.

Confirmation of Name, Address, & Contact Information

Ask the voter to confirm his name, address, and contact information when he registers.

If the voter has moved within the county, confirm the new address and precinct location.

Acceptable ID for Voting

All voters must show an acceptable ID before voting. Acceptable ID for voting are any of the following:

- A Wyoming Driver's License;
- A Tribal Identification Card issued by the Northern Arapahoe, Eastern Shoshone, or other federally recognized Indian tribe;
- A Wyoming Identification Card;
- A Valid United States Passport (cannot be expired);
- A United States Military Card;
- A Driver's License issued by any state or outlying possession of the United States;
- Photo ID issued by the University of Wyoming, a Wyoming community college or Wyoming public school;
- A Valid Medicare Insurance Card (cannot be expired); or
- A Valid Medicaid Insurance Card (cannot be expired).
- A Valid Wyoming Concealed Firearm Permit 

(W.S. 22-1-102(a)(xxxix)(B))

NOTE: US Passports, and Medicare/Medicaid cards must be current. All other forms of ID may be expired.

Registering a NEW Voter or Updating Existing Registrations

Ask the voter to complete the Wyoming Voter Registration Application & Change Form. If the voter has moved from another jurisdiction, the voter must also complete Section 5 of the Wyoming Voter Registration Application & Change Form.

Judges should always ensure: 

- The appropriate form is filled out completely in ink and the voter has signed the form.
- The voter is in the correct polling place. (Check the map.)
- The voter has provided a current, valid Wyoming driver license number.
 - ✓ If the voter does not have a Wyoming driver license number, the voter must provide the last four digits of the Social Security Number.
 - ✓ If the voter does not have a Social Security Number, the voter should state that he/she does not have one.
 - ✓ The voter must produce “acceptable identification” and the judge must note it on the form.

Note: If the voter cannot meet the standards above, please see Page 16, “Provisional Ballots.”

- The dates are accurate. Check that the applicant has listed his/her birth date and has not mistakenly written the current date or year as the birth date.
- The judge signs the forms as the election official and prints the voter’s name in ink.
- The judge will add voter’s name to the poll list.

For Specific Voter ID Requirements, see Pages 6 and 7

Assisting Voters

Wyoming State law allows only ONE person to assist a voter in the following situations: blindness, disability, or inability to read or write.

If a voter chooses, he/she may bring someone to assist. The person assisting may NOT be:

- The voter’s employer;
- An agent of the voter’s employer; or
- An agent or officer of the voter’s union. ([W.S. 22-13-113](#))

If a voter needs assistance, two judges of different parties may instruct voters on how to use the equipment; however, the judges cannot remain in the booth while the voter casts his/her vote. ([W.S. 22-13-109](#))

Assisting Voters with Disabilities

By law a voter with a disability may be reassigned to another polling place if theirs is not accessible. Check with the County Clerk for more information.

Disability Etiquette

The following are some tips that will help you work with voters with disabilities:

- Use common sense and extend common courtesies to everyone.
- Don’t patronize (treat adults like adults).
- Speak normally and speak directly to the person, not to their interpreter or assistant, and make eye contact.
- Respect personal space. For voters with disabilities this includes wheelchairs, guide or service animals, canes, crutches or any other assistive device.
- Offer but always ask before providing assistance. Listen for a response and follow any specific directions.
- Do not be overly attentive or insist on giving more help than is needed.
- Do not make assumptions about a person’s capabilities. Let the voter decide what he/she can do.

- If the judge cannot verify the voter, offer the voter a provisional ballot. Follow the provisional ballot procedures shown below, and write “P” next to the voter’s name on the poll list.

Registered but not qualified to vote, already voted, not entitled to vote in that precinct, not the person he/she represents himself/herself to be, no acceptable ID for voting:

- Offer the voter a provisional ballot. Follow the provisional ballot procedures shown below.
- Write “P” next to the voter’s name on the poll list.

Provisional Ballots

A provisional ballot is a ballot provided to a voter whose right to register or to vote cannot be determined at the polls or verified at the election office, in order to allow the voter to cast a ballot at the polls. A challenged voter has until close of business on the day following the election to present to the County Clerk information and documentation of his/her eligibility to register at the election or to vote. Information presented shall be considered by the canvassing board and the provisional ballot counted during the canvass only after the voter has established that he or she had previously registered and is a qualified elector or was eligible to register at the election and is a qualified elector. A voter has the right to find out if his/her provisional ballot was counted.

- Judge completes Provisional Voting Form & provides the yellow copy to voter.
- The voter shall fill out the provisional ballot envelope and sign the oath on the envelope.
- The voter places his voted ballot inside the provisional ballot envelope and returns the sealed envelope to the election judge.
- The election judges keep voted provisional ballots in the provisional ballot envelope for delivery to the County Clerk as directed.

During Voting Hours

Polling Hours

Polling hours are 7:00 a.m. to 7:00 p.m. Election Judges must stay at the polling place during their work shift. (W.S. 22-13-118)

Electioneering

NEW

Judges should ensure that no electioneering (campaigning) takes place within 100 feet of the public entrance to an absentee polling place prior to Election Day. On Election Day, the prohibited electioneering distance shall be 100 yards. Electioneering includes:

- The display of signs or distribution of campaign literature.
- This section does not apply to bumper stickers smaller than 4 x 16 inches on vehicles parked or passing by so long as there is only one bumper sticker per candidate on the vehicle.
- The soliciting of signatures to any petition.
- The canvassing or polling of voters (except exit polling by news media). (W.S. 22-26-113)

Handling Difficult Situations

What do you do if a voter is angry or creates a problem?

- Use your best judgment when resolving conflicts.
- Remain calm at all times. It is the job of the judges to preserve order at the polling place.
- You may also suggest the voter contact the County Clerk with additional questions.
- If there is life-threatening or illegal activity, call law enforcement immediately.

Monitoring Voting Booths and Voting Machines

Check the voting booths frequently to make sure there is no campaign material, or other items in the booths. All such items should be removed and discarded.

Judges should document all problems or unusual occurrences regarding voting equipment. Call the County Clerk immediately to report any problems with voting equipment.

Challenging a Voter

A challenge is when an election judge takes exception to a voter's right to vote. A person can be challenged for the following reasons:

- The person has already voted;
- The person is not a qualified voter;
- The person is not entitled to vote in that precinct;
- The person's name does not appear on poll list and the person cannot meet the requirements to register at the polls;
- The person does not present acceptable ID for voting; or
- The person is not the person he/she represents himself/herself to be. (W.S. 22-15-104)

Issuing a Challenge

It is the duty of the election judge to challenge the right to vote of a person if legal grounds exist for that challenge. Voters and poll watchers may NOT issue challenges. (W.S. 22-15-108)

Procedures for Resolving or Handling a Challenge

If a challenge is issued, the judges shall follow these procedures:

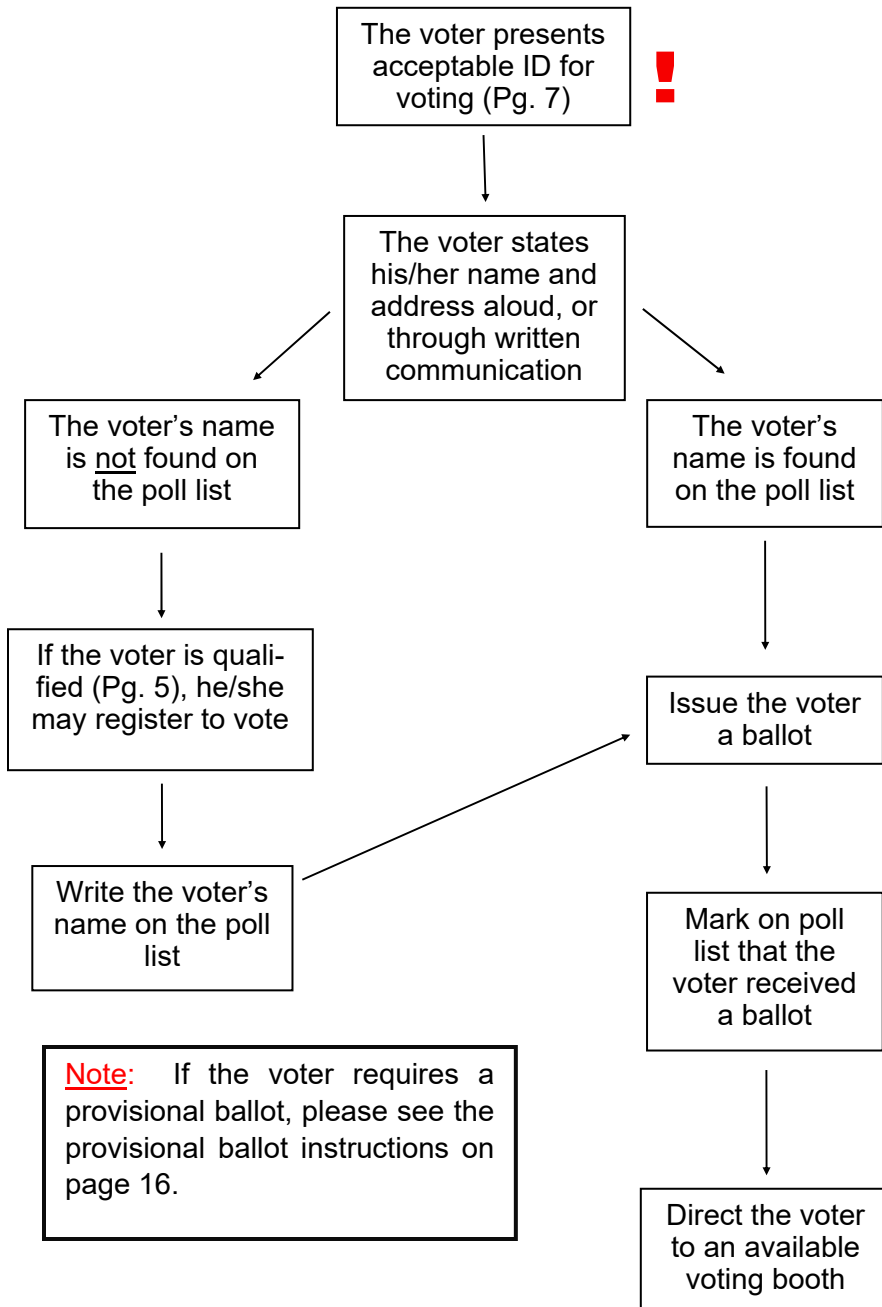

Not registered to vote/registered in a different precinct:

- If a person is challenged because he/she is not registered to vote or he/she is assigned to a different precinct, judges may resolve the challenge by allowing the person to register or to change his address if proved qualified to do so. (See procedures on page 8-9.) In this case, a voter will be added to the poll list and vote a regular ballot.
- If the person cannot provide identification or the last four digits of the Social Security number, offer him/her a provisional ballot (W.S. 22-15-105) and follow the procedures on the following page.

Name not on poll list:

- The judge may obtain verification from the county clerk that the person is entitled to vote in that election within that county.

Processing a Voter

Security and Emergency Procedures

Reasons to Evacuate

There are reasons a polling place may need to be evacuated. Some of the reasons include: physical threat to people or building, power outage, fire drill, severe weather, etc.

Some of these may necessitate temporary evacuation. Others may necessitate permanent evacuation.

Discuss with Other Judges

Before Election Day, briefly discuss emergency procedures with the other judges. You may want to consider:

- Reminding each other to be alert on Election Day.
- Communicating with those in charge of the polling place facility.
- Identifying situations that may pose a risk at your polling place.
- Assigning judges to be in charge of securing the poll book, ballots, keys to voting equipment, and provisional ballots.

What to do in an Emergency **!**

- Depending on the emergency, call 911.
- Getting people out of the polling place safely is the most important thing.
- If possible, secure the poll books, ballots, keys, and voting equipment memory cards.
- Call the County Clerk to report any non-life threatening problems.

Processing a Voter

The poll list judge is responsible for checking in a voter by following these procedures (see also the flow chart on page 14):

- Ask the voter for acceptable ID for voting (Pg. 7) 
- Ask the voter to state his/her name and address aloud.
- Check the poll list for the voter's name.
(Note: Watch for similar names like Jr. and Sr.)
- Add the name of any voter who is not on the poll list who registers to vote.
- Mark the voter as having received a ballot in accordance with instructions given by the County Clerk.
- In a Primary Election, pay attention to the voter's political party on the poll list.

Issuing a Ballot

Once a voter is properly checked in, the judges may issue a ballot according to the instructions from the County Clerk.

In a Primary Election, make sure the voter is given the correct ballot. Ballots are designated by color:

Color	Party
White	Republican
Blue	Democratic
Yellow	Unaffiliated*

**Do not have partisan Primary Election ballots.*

Instructions to Voter

The judges should give the voter instructions about how to use the voting machine and/or mark their ballot. Each voter should be given a pen to mark their ballot.

Paper ballots must be initialed by an election judge.

Write-in Votes

There is a space provided on the ballot for write-in candidates. Voting machines allow voters to enter a write-in candidate on the touch screen.

Spoiled Ballots

There is no limit to how many times a voter can spoil his or her ballot.

The spoiled ballot must be immediately cancelled by the election judge. The word "Spoiled" shall be written across the face of the voided ballot and the ballot should be placed in the spoiled ballot envelope and returned to the County Clerk as directed.

[\(W.S. 22-11-105, 22-13-107\)](#)

Write an "S" next to the voter's name in the poll book before issuing a new ballot.
