WHEREAS, Criminals from all over the globe are pouring into our country bringing drugs, guns and slaves; Felons are no longer held in prisons around the country and are allowed to roam where they please; Unconvicted Citizens are being held in deplorable conditions in our Nation's Capital city and being denied all of their Constitutional Rights as spelled out in the first ten amendments to our Great US Constitution.

"The United States shall guarantee to every State in this Union a Republican Form of Government, and shall protect each of them against Invasion; and on Application of the Legislature, or of the Executive (when the Legislature cannot be convened) against domestic Violence."

Our current Federal Government is NOT doing its job.

RESOLVED, This body requests for the Governor of Wyoming to stop sending any money or resources to the current administration on any Federal leases or contracts until such time as the Federal government actually does the job it is required to do which is to protect our States from enemies which includes securing our Borders, to balance our Federal Budget, and to stop sending our money and resources overseas until our own lands are secure; and be it also

RESOLVED, That we in this Great Nation are guaranteed a Republic form of Government and it is the responsibility of the Citizens of this great Republic to participate in its governing or lose our Country.
